Dear Parent/Guardian,

Re: Curriculum Enhancement Day Year 8

This academic year, we will be continuing our *Curriculum Enhancement Days* for all students across the school to help instil in them a love of learning. The purpose of these days is to give the students a broader learning experience across the curriculum, and to deepen their knowledge and understanding of the concepts and ideas they have studied in the classroom. The first of these days this academic year will take place on **Friday 10th February**.

On **Friday 10th February**, students across Year 8 will attend off-site trips on areas linked to their studies in the following subject areas; RE and PE. These trips will take place during the school day; with students expected to arrive at school for **8.25am** and will return to school for dismissal by **3.00pm**. Students should come to school dressed in their **full school uniform**, with their school bag and pencil case. Students will also require a packed lunch and a bottle of water. If students are in school, the canteen will operate as usual. The school has covered the costs of any entrance fees for the trips below. Students and staff will be travelling to the venues via public transport and will need sufficient money on their Oyster cards to cover the cost of the tube fare.

The students will visit:

Year 8

National Gallery	8S & 8A	Public Transport
British Museum	8I, 8N	Public Transport
Oxygen	8T & 8C	Public Transport

We hope the students enjoy exploring their learning beyond the classroom, and we look forward to the upcoming trips we have planned for the next academic year.
