30th January 2023

Dear Parent/Guardian,

Re: Curriculum Enhancement Day: KS4 PE Students

In our continued efforts to ensure every student at All Saints is provided with the best possible education, we will be continuing our *Curriculum Enhancement Days* for all students across the school to help instil in them a love of learning. The purpose of these days is to give the students a broader learning experience across the curriculum, and to deepen their knowledge and understanding of the concepts and ideas they have studied in the classroom. The first of these days this academic year will take place on **Friday 10th February**.

On **Friday 10th February**, students across Years 10 and 11 will attend either off-site trips or be visited by external agencies in school in areas linked to their option GCSE's. Your child has been invited to attend a PE trip, mountain biking with **Swinley bike hub**. These trips will take place during the school day; with students expected to arrive at school for **8:30am** and will return to school for dismissal by **4pm**. Students should come to school dressed in their **full PE kit**, with their school bag and a full change of clothes and any wet weather gear. Students will also require a packed lunch and a bottle of water. If students are in school, the canteen will operate as usual.

Participation in an outdoor adventurous activity is part of the GCSE PE course; therefore your child will be being assessed by staff while participating in this activity.

Please complete form stating permission for your child to attend. <https://forms.office.com/e/MpugjR8hNg>

We hope the students enjoy exploring their learning beyond the classroom, and we look forward to the upcoming trips and visitors we have planned for the next academic year. If you have any questions regarding the information detailed above, please email info@allsaintscc.org.uk.

Yours sincerely,

Ms. A Mealy
Assistant Headteacher
