### **All Saints Culture Day – Friday 11<sup>th</sup> October**

Dear Parents and Carers,

I am pleased to announce that next Friday 11th October we will be running our annual Culture Day.

Culture Day is a day of celebration, where students are encouraged to dress in traditional attire or in the colours of the flags that represent their cultural background. Throughout the day students will have the opportunity to share and celebrate their cultural background with other members of the school community through a variety of activities.

Although students are encouraged to wear clothes representing their cultural background, there is no pressure to buy new clothes for this occasion. If students are not dressed in a way that represents their culture, they should wear full school uniform.

Activities throughout the day include:

- Bracelet making
- Face painting
- Pinning where you're from on a map of the world
- Taking photos in our Photo booth
- Lunch time music and dancing
- A special European inspired culture day menu
