Dear Parents/Guardians

**Re: Y9 Progression Pathways Evening for Parents & Pupils –Wednesday 26<sup>th</sup> April 2023**

You are warmly invited to the Y9 Progression Pathways Evening on **Wednesday 26<sup>th</sup> April 2023** from **6pm – 6.45pm**.

As you are aware, your child is now coming to the end of Key Stage 3 and in September 2023 they will be starting Key Stage 4 and their GCSE studies. GCSEs are very important qualifications and the courses children study and the grades they achieve, will determine the choices available to them at the end of Year 11 and in turn influence the direction of study for those wishing to go to University. Therefore, it is vital that students are placed on appropriate GCSE courses that enable them to maximise their academic outcomes and broaden their range of choices upon leaving All Saints.

The evening will include a talk from the Headteacher, followed by a short presentation on the Pathway Programme by the Senior Leadership Team. There will also be an opportunity for both students and parents to ask questions in relation to the GCSE courses they are likely to study over the next two years.

Please confirm your attendance no later than Friday 21<sup>st</sup> April by clicking here:
