Extended School Provision Taster Session

Dear Parents and Carers,

On Monday 9th September 2024 we are running a taster session for the school's Extended School Provision. We are keen to offer our new Year 7 students the opportunity to take part and would like to invite your son/daughter to the taster session.

For this taster session we will be running a reduced version, and we will run a full version including the before school session for a month from Monday 16th September. The provision offers students an opportunity to complete homework for an hour, followed by the option to complete a range of activities including Drama, Art and a variety of sports. After all activities have been completed all students eat a family style meal. This taster session will be free of charge. Students will be dismissed at 6pm.

If you would like your child to participate in this taster session, please complete the attached form. We have limited spaces and places will be offered upon receipt of the permission slip.

If you have any questions, please email support@allsaintscc.org.uk.
