

Careers at All Saints

Guidance for Parents and Students

The Careers programme at All Saints provides students with meaningful steps toward their future career and life after school. We aim to build our students' ambition and confidence to enable them to make informed choices about their future education and employment.

Our weekly PSHE lessons, alongside career-focused tutor time, external visitors, and relationships with the local community, ensure that our students develop holistically. Therefore, they leave us with the employability and study skills needed to be successful in the world of work.

Our Careers Lead is: Ms Houghton
