## Admissions Arrangements 2024-25

**Approved by:** Board of Governors **Date:** 13<sup>th</sup> December 22

**Last reviewed on:** 14<sup>th</sup> December 21

**Next review due by:** December 2023

All Saints Catholic College was founded by the Catholic Church to provide education for children of Catholic families. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. All applicants are therefore expected to give their full, unreserved and positive support for the aims and ethos of the school.

The Board of Governors has sole responsibility for admissions to this school and intends to admit 150 children to Year 7 in September 2024. The deadline for applications is 31<sup>st</sup> October 2023. In the past six years places have been offered up to the final category.

### **Oversubscription Criteria:**

When the number of applicants exceeds the admission number, offers of places are made using the following criteria in order of priority:

1. Catholic "looked after" children and Catholic children who have been adopted (or made subject to child arrangement orders or special guardianship orders) immediately after having been looked after. This includes adopted Catholic children who were previously in state care abroad (Catholic IAPLAC);
2. Baptised Catholic children with a "sibling" at the school at the time of admission;
3. Baptised Catholic children;
4. Other "looked after" children and children who have been adopted (or made subject to child arrangement orders or special guardianship orders) immediately after having been looked after. This includes adopted children who were previously in state care abroad (IAPLAC);
5. Other children with a "sibling" at the school at the time of admission;
6. Catechumens and baptised children of Eastern/Orthodox Churches where the application is supported by either a certificate of baptism or a letter from their priest confirming membership of their faith community;
7. Children from other Christian denominations where the application is supported by either a certificate of baptism or a letter from their minister of religion confirming membership of their faith community;
8. Children of other faiths where the application is supported by a letter from their minister of religion confirming membership of their faith community;
9. Any other applicant.

Should there be an oversubscription of applicants within any of the above categories, the governors will first allocate places to children on roll of the listed local "feeder" primary schools:

- Ark Brunel Primary Academy
- Avondale Park Primary School
- Barlby Primary School
- Bevington Primary School
- Colville Primary School
- Oratory Primary School
- Our Lady of Victories Catholic Primary School
- Our Lady of Dolours RC Primary School
- Oxford Gardens Primary School
- St Charles Catholic Primary School
- St Francis of Assisi Catholic Primary School
- St Joseph's Catholic Primary School

- St Mary's Catholic Primary School
- St Mary of the Angels Catholic Primary School
- St Thomas CE Primary School
- Thomas Jones Primary School

### Tie-break for all categories

Distance will be measured from the main entrance of the school to the applicant's home using the local authority's geographical measuring system. *In the case of a number of addresses in a block with the same geographical reference, priority will be determined by random allocation.*

The Board of Governors does not give priority under its admission criteria for twins, triplets or other multiple applications from one family for the same year group. However, if one child is offered a place and there are insufficient places available for the others, the Board of Governors will agree to exceed the published admission number and admit the additional children.

For admission into Year 7 in September 2023, the school received 648 applications for 180 places.

### Application Procedure:

All parents must list the school on their local authority's common application form (CAF). The recommended route is the Pan-London eAdmissions website, although paper forms are also available. The deadline for submission is 31<sup>st</sup> October 2023. In addition, applicants should complete the **ALL SAINTS CATHOLIC COLLEGE Supplementary Information Form (SIF)** which is supplied in the application pack, and available on the school website. The SIF should be completed and returned to the school by the 31<sup>st</sup> October 2023. If you do not submit both the CAF and the SIF by the closing date, the Board of Governors may be unable to consider your application fully against the oversubscription criteria. Late applications will be considered after the initial allocation process has been completed.

Applicants wishing to be considered under criterion 2, 3 or 4 should also provide the School with a copy of the child's baptismal certificate. If the certificate is not available, applicants should indicate in writing the reasons for this being the case.

If your application has been successful, the local authority will make you an offer of a place on behalf of the Board of Governors on 1<sup>st</sup> March 2024. Information concerning the Appeals Procedure for those who are unsuccessful in obtaining a place will be available on the school website. The school maintains a waiting list, ranked according to the published criteria, and places will be offered as and when vacancies occur. The waiting list will remain open for twelve months following the normal date of admission.

### Pupils with an Education, Health and Care Plan

Children with a finalised EHCP naming All Saints Catholic College will be admitted to the school.

### Change of details

If any of the details on your form change between the date of application and the receipt of the letter of offer or refusal, you **must** inform the School immediately and the Council's School Admissions Team (020

7745 6432/6433). If misleading information is given or allowed to remain on the form, governors reserve the right to withdraw the place, even if the child has already started at the School.

## **Fair Access**

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admissions round the Board of Governors is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the Diocese and the Board of Governors for the current school year. The Board of Governors has this power even when admitting the child would mean exceeding the published admission number.

## **In Year Admissions**

Applications for in-year admissions are made directly to the school and if there is no waiting list, a child will be admitted. If more applications are received than there are places available, then applications will be ranked by the Board of Governors in accordance with the oversubscription criteria with the exception of primary feeder schools which do not confer priority in in-year applications. The following modifications will also apply: Catholic children without an offer of a school place elsewhere are given priority immediately after Catholic 'looked-after' children similarly, other children without an offer of a school place are given priority immediately after other 'looked-after' children. If a place cannot be offered at this time, then you may ask us for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the Board of Governors in the order of the oversubscription criteria as modified above and not in the order in which the applications are received. Names are removed from the list at the end of each academic year. When a place becomes available the Board of Governors will re-rank the list and make an offer.

## **Applications outside the normal chronological age group**

The School is prepared to consider applications outside the normal age group, both at secondary transfer and for in-year admissions. Each case will be considered on its merits and the decision will be made by the Admissions Committee.

In the event of over-subscription, the criteria and priorities listed in this Policy will apply.
