RBKC Bikeability – Year 7

Dear Parents and Carers,

We have arranged for cycle trainers to visit our school and provide an opportunity for your child to participate in cycle training. Sessions will take place throughout the academic year.

Training is for all ability levels. If your child has never ridden a bike, they will be given the opportunity to learn to ride. If your child can cycle, they will develop their bike handling skills, initially cycling in the playground, and as they demonstrate they can cycle consistently and confidently will be given the opportunity to cycle on road.

Bicycles and helmets will be supplied, therefore, there is no need for your child to supply their own bike. Trainers are qualified and DBS checked. Bikeability is an important part of our program as an active healthy and sustainable school.

In order to enable your child to participate please complete all of the questions below.

(Forms were sent to each Y7 class)

Kind regards,
