### **Careers and Apprenticeship Opportunities for Students**

Dear Parents and Carers,

We are excited to introduce a new initiative designed to support our Key Stage 4 (KS4) students in making informed decisions about their future career pathways. Starting this term, we will be distributing a Careers Bulletin to all KS4 students, which will provide valuable information on a range of career-related topics.

Please see attached here:

- The Careers Bulletin will be issued regularly and will include:
  - Information on local and national apprenticeship opportunities
  - Details about college courses, university options, and vocational qualifications
  - Updates on career fairs, work experience placements, and guest speaker events

We believe this resource will play a crucial role in helping students reflect on their strengths, interests, and aspirations as they start making decisions about their next steps. By providing a comprehensive overview of the available opportunities, we aim to empower them to take control of their future and make well-informed choices that align with their goals.

We encourage you to discuss the contents of the Careers Bulletin with your child and use it as a tool for ongoing conversations about their aspirations and career interests. Should you have any questions or require further information, please don't hesitate to contact the school's careers team at [info@allsaintscc.org.uk](mailto:info@allsaintscc.org.uk) FAO Ms Houghton. Thank you for your continued support. We look forward to working together to help our students succeed in their future careers.

Yours sincerely,

Ms Houghton
